Education

Dayananda Sagar College of Engineering, Bengaluru

(2027)

BE in Computer Science

- GPA: 9.67

Technical Skills

- Language : C, C++, Python, Java, JavaScript, TypeScript
- Frameworks : TailwindCSS, NodeJS, ExpressJS, ReactJS, Flask, NextJS
- DataBase : MongoDB, PostgreSQL
- Tools : Git, GitHub, Postman

Experience

Software Developer Intern

Bengaluru, India

Padho.AI

Oct 2025 – Dec 2025

- Owned frontend development for a web platform used by 2000+ users.
- Developed mobile application features using React Native for production use.
- Integrated backend services and implemented email automation workflows.

Frontend Developer Intern

Bengaluru, India

Padho.AI

May 2025 – Oct 2025

- Built the complete UI for Padho.AI, owning frontend development end-to-end.
- Resolved issues related to dynamic links and routing, improving reliability.
- Integrated AI workflows into the frontend for seamless real-time interaction.

Projects

IntervAI

[GitHub](#) 

- Building a multimodal AI interview platform with real-time audio/video interaction.
- Owning frontend (web + React Native) and implementing real-time communication using WebSockets, WebRTC, and MediaRecorder.
- Integrating AI services to enable seamless user interaction.
- Tools: Next.js, React Native, Python, WebRTC, WebSockets

AquaGenesis

[GitHub](#) 

- Built an AI pipeline to analyze deep-sea eDNA and classify eukaryotic taxa.
- Developed full-stack platform with React, TypeScript, Flask, and Python for real-time biodiversity visualization.
- Tools: React, TypeScript, Flask, Python, MySQL

MediPal

[Project](#)  [GitHub](#) 

- Built a healthcare platform for patient-doctor interactions with booking, encrypted records, and AI assistant.
- Implemented 2FA, Google Maps clinic integration, and secure cloud image handling.
- Tools: React, TailwindCSS, Node.js, Express, MongoDB, Gemini AI

Achievements

- Solved **250+ problems** on LeetCode covering data structures and algorithms.
- Solved **100 problems** on GeeksforGeeks focusing on core CS concepts.
- Achieved **2 Star rating on CodeChef** through competitive programming contests.
